IdeaWave

(Idea Presentation Contest)

The Department of Electronics and Computer Engineering is pleased to announce the **Innovation Challenge 2026**, an event designed to encourage students to identify socially relevant problems and propose innovative, feasible solutions.

Objectives

- To encourage students to identify **real-world, socially relevant problems**
- To foster **creative thinking, innovation, and problem-solving skills**
- To enable students to develop **practical, sustainable, and technology-driven solutions**
- To promote **teamwork and presentation skills**

Target Participants

- Exclusively for the students of Basaveshwar Engineering College, Bagalkot
- Team size: **2–4 members**

Flow of the Event

- Launch of event circular and registration form
- Collection of team details and theme area
- **Themes:**
 - Healthcare
 - Agriculture
 - Environment & Sustainability
 - Smart Cities
 - Rural Development
 - Safety & Security
 - Education & Skill Development
 - Accessibility & Inclusion
 - Waste Management
 - Energy & Water Conservation

Guidelines:

Each team must:

- Identify a real, socially relevant problem (local or global) aligned with the given themes.
- Validate the problem using data, observations, or user interviews.
- Prepare a clear **Problem Statement**.
- Brainstorm multiple ideas, select the most feasible solution, and assess scope, relevance, and practicality.
- Submit a **2–3 page solution document or Video** including:

- Problem definition
- Root-cause analysis
- Proposed solution diagram
- Expected social impact
- Feasibility (technical, economic, environmental)

Round 1:

Teams must submit a 2–3 page PDF or video containing the problem statement and feasible solution before the deadline.

Submissions will be evaluated based on:

1. **Relevance to Theme** :Alignment with prescribed themes
2. **Problem Identification & Clarity** :Clear definition and societal significance
3. **Innovation & Originality** :Novelty and creativity of approach
4. **Feasibility & Practicality** :Technical, operational, and economic viability
5. **Social Impact & Usefulness** :Potential benefits and scalability
6. **Clarity of Presentation** :Logical structure and explanation
7. **Sustainability & Long-Term Value** :Contribution to sustainable development and societal value

Round 2:

Shortlisted teams will present their ideas, covering:

- Title & Team Introduction
- Problem Identified
- Evidence & Validation
- Why this problem matters (Impact)
- Proposed Solution
- Uniqueness / Innovation
- Feasibility & Implementation Plan

Important Dates:

- Launch of Event Registration : **10-02-2026**
- **Registration deadline** : **16-02-2026**
- Idea Submission deadline : **23-02-2026**
- **Announcement of shortlisted teams** : **26-02-2026**
- Final Presentation : **28-02-2026**

Prizes:

- Exciting cash prize with certificates will be provided to winners
 - 1st Prize** : **Rs. 3000.00 + Certificate**
 - 2nd Prize** : **Rs. 2000.00 + Certificate**
 - 3rd Prize** : **Rs. 1000.00 + Certificate**
- Certificates for all shortlisted team members
- E-Certificates for all registered participants
